SUMMARY

Associate Developer with 2 years of experience in full-stack web development, specializing in front-end technologies like HTML (Bootstrap), CSS, and JavaScript (jQuery). I also have back-end expertise in Python (Django). I excel at developing responsive, user-friendly web applications and building efficient, scalable backend systems. I am passionate about using my technical skills to deliver new solutions and enjoy working in collaborative and fast-paced environments.

TECHNICAL SKILLS

- **Frontend:** HTML5, CSS3, JavaScript, jQuery, Bootstrap
 - **Backend:** Python (Django)
 - **Database:** PostgreSQL
-
